

### Important—Please Read

Providing your favorites and what you feel your guests would enjoy is of the utmost importance to us! We're confident that you'll find many of your favorites from this listing of great dance oriented classics and proven crowd pleasers!

**This is NOT a complete listing of everything available to you!  
Do NOT feel confined to this list!**

You'll find a comprehensive listing of music including the latest, hottest song titles from our music database at [MusicMastersOnline.com](http://MusicMastersOnline.com). Simply log on to listen to song samples, create your request list, categorize priority and create special dedications. Our online music planner is a great resource for you to share with us your favorites and what your guests will enjoy

Don't feel compelled to choose every song to be played at your event; that could be a pretty daunting task. Your DJ is an experienced professional who will "read the crowd" and program the music based on audience response and of course, within your guidelines.

We are constantly updating our music library and subscribe to the same music subscription service that provides new music to radio stations locally and across the US. We also use [Billboard.com](http://Billboard.com), [RadioandRecords.com](http://RadioandRecords.com) [XMradio.com](http://XMradio.com) (20 on 20) as great sources to keep us up on what's hot...and what's not.

### OTHER IMPORTANT THINGS TO KEEP IN MIND

♪ AN AVERAGE OF 15-16 SONGS CAN BE PLAYED IN ANY GIVEN, UNINTERRUPTED HOUR.

♪ WITH YOU AND YOUR GUESTS IN MIND, PUT A CHECK NEXT TO THE SONG TITLES THAT YOU WOULD LIKE TO HAVE PLAYED. PLEASE DO NOT USE A HIGHLIGHTER.

♪ PUT A STAR OR ASTERISK NEXT TO THE ONES THAT YOU REALLY WOULD LIKE TO HAVE PLAYED.

♪ LIST ANY OTHER REQUESTS ON THE LAST PAGE OR ON A SEPARATE SHEET OF PAPER.

♪ YOU DO NOT NEED TO CHOOSE ALL THE MUSIC THAT GETS PLAYED. ALLOW YOUR DJ TO "READ THE CROWD" AND PROGRAM MUSIC ACCORDINGLY
